About AvMA:

Action against Medical Accidents (AvMA) is the independent charity promoting better patient safety and justice for people who have been affected by a medical accident. We also provide services for the legal profession and are renowned for organising medico-legal conferences and events for solicitors, barristers and healthcare professionals.

Why your organisation should sponsor/exhibit at #ACNC2025:

Now in its 35th year, the Annual Clinical Negligence Conference (ACNC) is established as **the event** for the clinical negligence community, bringing together around 500 solicitors, barristers and medical experts to hear the latest medico-legal developments, to learn from key medical experts and to meet and network with other clinical negligence and healthcare specialists.

This unique environment offers companies the ideal opportunity to focus their marketing activity, and reinforce their brand, by gaining exposure and access to a highly targeted group of delegates and experts, which in turn creates new business opportunities and helps maintains customer interface with current clients.

All Premium Sponsors will receive one free non-residential place to attend the conference sessions, and, in addition, we also offer a 20% discount on all additional conference registration fees for employees of Premium Sponsors and 10% for Exhibitors and Promotional Sponsors.

Additionally, you will also have the opportunity to attend our very popular social functions, starting with the Welcome Event on Wednesday 19th March, and the Mid-Conference Dinner on Thursday 20th March. With both functions selling out two weeks ahead of the conference in 2024, you don't want to miss out!

What our exhibitors say:

"The 2024 conference was the best we have exhibited at. The exhibition hall at the Armouries was perfect, ensuring easy access to all exhibitors. The footfall to our stand was brilliant and there was a huge amount of engagement. Thank you to the AvMA team for all their hard work and attention to detail. We will definitely be looking to exhibit again in 2025." - **Krissi Fletcher, France & Associates**

"The AvMA annual clinical negligence conference is a must for us to exhibit at each year with all the ingredients needed to make it such a worthwhile even which is due to the excellent organisational skills of Ed and his team. Miss it at your peril!" - **Martin Kettle, Concerva**

"We at Maggie Sargent value our attendance at the AvMA conference. It is an ideal opportunity to network with like-minded professionals and share the great work we are doing to support our Client not only in providing care reports but also liability. We enjoy meeting all the attendees and learning how best we can work together for the common goal." - **Jane Bradshaw, Maggie Sargent & Associates**

"The AvMA event held at the Leeds Armouries on the 21st & 22nd March was very well organised. The event was attended by over 600 delegates and was a huge success. Congratulations to all the team at AvMA, look forward to Bournemouth next year." - **Chris Parsons, Premex**

"This was our first AvMA conference, and we found the conversations with delegates and the content of the conference stimulating and useful in terms of potential new client referrals. The food was excellent throughout which is often an overlooked but massively important part of a great event. We are already looking forward to next year's conference!" - **Daniel Thomas, Chroma**

What our delegates say:

“Uniformly excellent this year.”

“It was a well organised event, with excellent speakers.”

“Excellent. Probably the best line up I've seen at either AvMA or APIL clinical negligence conference. Very knowledgeable and engaging speakers.”

“I have been to 28 Conferences over the years and this was one of the best.”
