

Lawyers Service Subscription Rates 01.04.25 – 31.03.26

The subscription rates are banded according to **the number of Managers in the whole firm (not just those doing clinical negligence work)**. The Solicitors Regulatory Authority (SRA) code of conduct defines a Manager of a Law Firm as *“a member of an LLP; a director of a company; a partner in a partnership; or in relation to any other body, a member of its governing body”*. AvMA has adopted the same definition and includes all managers in the firm, not just those doing clinical negligence work.
